

## **Amish Rally Electrifies Lancaster**

The Amish Rally on June 24th was full! It was a great showing to take on the windy roads of Lancaster and its surrounding areas! The landscaping, views and roads were as amazing as all the registrants. Contrary to popular belief of stepping back into Little House of the Prairie times, the area was pretty hip and modern - with the occasional horse and buggy.

#### SHOW AND SHINE

It was a car show weekend June 3rd and 4th as PhillyMINI made appearances at several locations. First was the Cars and Motorcycles of England show at Hope Lodge in Fort Washington,Pa on Saturday June 3rd. It was an overcast but pleasantly breezy day as PhillyMINI had its usual contingent of new and classic Minis on display amongst the "sea" of Triumphs and Jaguars. This event has been a staple on the PhillyMINI calendar for about 15 years. We received quite a few compliments from show attendees and handed out several "brag tags". Hopefully we convinced a few people to become members.

Congratulations to Ronnie and Tony Gauker for winning first place, Michael and Marylin Tontoni for second place and Eric Zwirnmann for third place in the New Mini category.

Next up was Cars and Coffee at Steel Stacks in Bethlehem, Pa, on Sunday June 4th. This event's theme was European cars and there were quite a few awesome cars to view. PhillyMINI arrived onsite bright and early and was able to secure a prime parking spot in the main lot. Although there were a lot of European makes on display, it appeared that Mike Marzo's dogs, Luca and Vito, were the stars of the show. I think they received the most attention and requests to pet them were plentiful.

But PhillyMINI wasn't done with car shows that weekend. Vinnie Funelas and Rob Argila participated in the 28th Red Mill British car day in Clinton,NJ also on Sunday June 4th and a few PhillyMini members dropped by to check out the show. Vinnie and Rob took a trifecta of prizes in the New Mini, Classic Mini and Picnic categories. Congratulations to Vinnie and Rob on a job well done.

## **Jurassic Park or Cooper Cup?**

An annual tradition of PhillyMINI, the Cooper Cup is a great chance to combine your driving, navigation, and observation skills in one fun day of rallying! This year's rally, designed by last year's winners, **Shawn and Abbie T-Rexler**, is dubbed "T-Rex's Terrific Tour".

It will be just that; a terrific and, hopefully, stress-free tour of the beautiful and curvy backroads in Western Lehigh County... Don't miss the plot twist toward the end!

Want to attend but don't want the day to end in a breakup or divorce from your beloved driver/navigator? Consider switching up navigators from other participating duos for the day so your event doesn't end in competitive discourse!

As the winners, you take home the cup and create next year's route.
We're also awarding "fabulous-ish" individual prizes for best navigator, best driver, and a few other categories. Come and join the fun on July 22nd!

# Membership Spotlight David Lugo

How did you hear about PhillyMINI?

Facebook

Since 2019.

What are your MINIs' names?

Marley

#### What's your favorite rally? Why?

Slim Shady. Tracy came up with some awesome views

# What's your favorite PhillyMINI memory?

Getting to the top of the mountain on the slim shady rallies. It was breathtaking and being with a bunch of awesome friends!!

What other clubs are you a member? Car- or non-car-related.

Lancaster Cars & Coffee.

What is your favorite part/thing/aspect of your MINI?

The speed.

How do you spend your time outside of PhillyMINI? What other interests do you have? (e.g., sewing, quilting, autocross, cooking, crossfit, etc. Describe your other passions.)

Bowling, Bonfires and Golf.

#### by Greg Bilton MINIster of Technology

On Father's Day weekend a few intrepid members went up to New Hampshire for a wet but fun weekend at MINI's on Top.

The weekend began on Friday with lunch at MINI of Bedford and an informal rally to the hotel in Bartlett, there are some awesome roads up there. After checking in there were appetizers and meeting other attendees at the MOTORoom. Saturday was the big day initially meeting up at the Hobo Railroad Museum, and then choosing from several choices of rallies with varying levels of adventure.

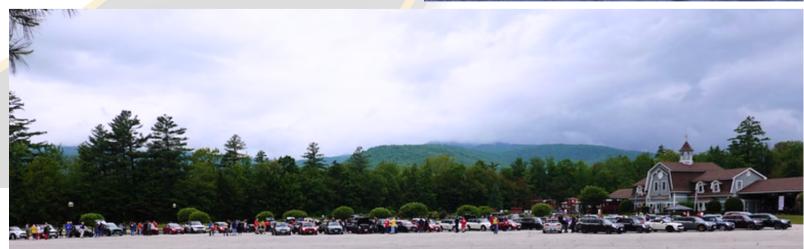

After the rallies we all met back up at the base of Mt. Washington for dinner and the main attraction the drive up the Mt. Washington Auto Road. The ascent was very foggy with visibility less than a quarter mile at times and about a 25 degree difference from the top to the bottom. I've been several times and went up in different conditions each time, this was the most interesting of all of them.

To see the photos the trip click the link <u>2023 MINIs</u> on <u>Top I Flickr</u>. If you want to go in the future let me know so I can photograph your car on top.

When you see this newsletter there will be some changes on the website. With feedback from you, we have combined some of your most frequently asked questions into one helpful page called Member Resources. Find it on the top navigation bar next to About PhillyMINI. On there you can quickly access the page with this year's member benefits with the promo codes (if needed) a quick link to find our route files (gpx files) and the link to the Garmin page with the list of compatible devices you can buy to run them. Want to see this year's presentation from the members meeting? It's there too.

The signup process for the monthly dinners is changing, they will now be treated like the lunch sign-ups are for rallies. They will be formally posted on the event calendar on the homepage and that is also where you will sign up for them. Also if you want to host a dinner that will now be handled by our new MINIster of Culinary Delights Joyclynn Reynolds. Reach out to her or us and we will make sure your dinner gets on the calendar.

As always, if you have any questions let us know, we're more than happy to help.

## June Dinner @ Quips Pub

by Joyclynn Reynolds MINIster of Culintary Delights

There's no quips about it, the June dinner hosted by Cynthia LeTeff at Quips Pub was a jolly good time! Everyone enjoyed their delicious fare and a pint or two! This is no traditional pub food. Here you will find English, Scottish, American, and even some Mexican vittles. Next time you're in Lancaster, stop in and tell them Cynthia sent ya! Just watch your step!

For those who might not know me, my name is Joyclynn and this is my fourth year with PhillyMINI. I have enjoyed so many rallies and get-togethers that I feel like I want to give back. When our Prime MINIster was talking about a new role as MINIster of Culinary Delights, I volunteered immediately. Let's get your favorite restaurant on the calendar. Reach out to me at <a href="mailto:two.remail
